

Errata

Table 49. Average Number of Cigarettes Smoked Daily by Current Smokers was miscalculated by CDC; the mistake was discovered by Bernie Ellis in the Office of Epidemiology. Until we receive the new data tables by age & sex for this variable, attached is a replacement table by sex.

Table 49 - Average Number of Cigarettes Smoked Daily

Number of cigarettes smoked per day	Male N (%)	Female N (%)
<= 1 pack per day	92 (32.28%)	129 (45.26%)
1-2 packs per day	29 (10.18%)	14 (4.91%)
>2 packs per day	6 (2.11%)	1 (0.35%)
irregular smoker	5 (1.75%)	7 (2.46%)
unknown/refused	1 (0.35%)	1 (0.35%)
